SENATOR VRTISKA: Mr. Speaker, members of this body, I am pleased this morning to rise and offer my congratulations to the Sterling Jets for their winning the Class C-2 high school boys' basketball championship and defeating Indianola-Republican Valley. I want you to know that the Sterling Jets defeated their opponents by an average margin of 22, almost 23 points per game. They compiled a record of 20 wins and 3 losses in the '92-93 season. I also want to bring to your attention the picture that was placed on my sign by some culprit again, not at my request and even though it has my picture on it, I did not prepare it, neither did my staff. I have not been able to find out the culprit but it does say, Floyd, The Jet, Vrtiska. And I'm proud to be a part of the team that won, even though my Eagles, in their soaring high, were shot down. Thank you, Mr. Chairman.

SPEAKER BAACK: Thank you, Senator Vrtiska. Any discussion of LR 55? Seeing none, we will now vote on LR 55. All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.

CLERK: 21 ayes, 0 nays, Mr. President, on adoption of LR 55.
